PDA Southeast Chapter 2019 Sponsorship Opportunities

PDA Southeast Chapter has been in existence for over 19 years! During this time we have seen our Chapter grow in membership and participation. We are grateful to our dedicated members and sponsors for their continued interest, participation and support. Without our sponsors, we would not be able to provide the educational and social networking to the membership. Please consider participating in our 2019 Sponsorship Program. In this packet you will find all of our Sponsorship opportunities as well as the registration form. Again thank you for your support as we strive to achieve our mission in support of our members from the Pharmaceutical, Medical Device and Biotech industries.
