

WORKSHOP BIOTECHNOLOGY AND BIOSIMILARS

August 13 -15, 2019 – São Paulo
www.pda.org/brazil

August 13

08:30 R&D

- Biotech 101 Overview
- Cell Line Development
- Process Development

13:00 Upstream

- Upstream Process 101
- Single use vs. Stainless Steel
- Continuous Processing
- Q&A

August 14

08:30 Downstream

- Downstream Process 101
- Chromatography
- Viral Filtration

13:00 QC

- Designing Control Strategy
- Cell Bank Management
- Anvisa's Inspection Findings
- Q&A

August 15

08:30 Regulatory

- Comparability Exercise
- Anvisa's Regulatory Perspective
- Interchangeability

13:00 Novel Therapies

- Cell Therapy
- Gene Therapy
- Anvisa's Perspective on Novel Therapies
- Q&A
