# Global Perspectives & Canadian Impact

November 15th, 2023 | 5:00 PM - 9:30 PM EST

Renaissance by the Creek, 3045 Southcreek Road, Mississauga, ON, L4X 2X7

## Join us for an evening of networking, dinner, and hear from our esteemed speakers

Hear from Glenn Wright, President and CEO of the global organization the Parenteral Drug Association on global movements in the pharma/biopharma manufacturing space, and their impact on the North American industry. Jason Fields, President and CEO of Life Sciences Ontario will speak to where we've come and provide insight on where we're headed in the province and Canada. Donald Singer, one of PDA Global's experts on the EU's Annex 1 revision, will provide the audience with valuable feedback from industry and what has been heard from inspectors to date, following the implementation deadline, particularly from the standpoint of Contamination Control Strategy.
