

# EARLY CAREER PROFESSIONALS PANEL

## Learn about Multiple Biotechnology Career Paths from Experienced Professionals

### Date, Time & Location

Tuesday, June 14, 2022

5:30 –9:00 pm

Sunset Hill Community Center  
3003 NW 66th St, Seattle, WA 98117

### Event Description

The Pacific Northwest Chapter of PDA proudly presents a panel discussion with professionals from multiple career paths in the biotechnology, pharmaceutical, and cell and gene therapy industries to help you plan or advance your career. The panel will include professionals working in the areas of Regulatory, Clinical Supply, Validation, Manufacturing and Quality. Each panel member will share their career path and professional background. The panel will answer your questions to help you better understand the different career paths available to you.

### Event Pricing
