CIVICA

Martin VanTrieste, PhD is the CEO of Civica Rx, who was recently named by ModernHealthcare as a top 100 industry influencer. Medicine Maker has recognized him as a “Champion of Change” on their Power List for his role in leading Civica, a new, nonprofit enterprise created to stabilize the supply of essential generic medications. Martin brings over 37 years in the industry, with comprehensive experience in biopharmaceutical manufacturing, quality systems and related government regulations in the US and around the world. He was the former chief quality officer at Amgen. Prior to joining Amgen, Mr. VanTrieste was with Bayer Healthcare’s Biological Products Division as vice president of worldwide quality and Abbott Laboratories as the vice president of quality assurance for the Hospital Products Division. Mr. VanTrieste earned a Pharmacy degree in 1983 from Temple University School of Pharmacy.

Baxter

Sateesh is the Quality Director (External Contract Manufacturing) for Baxter Healthcare. He has 30 Years of Diverse experience of Manufacturing, Sales, Regulatory Affairs & Compliance and he specialize in Quality Auditing, Due Diligence for Mergers and Acquisition, Regulatory, Product Surveillance, Internet and Health Care Compliance. He is a Certified Green Belt and Lead Auditor for Quality Management Systems as per ISO9001:2015 . Sateesh served PDA Singapore chapter as President Elect previously.

NOVARTIS

Sudhir is a Pharmacist by training. He has over 30 years of industry experience in Pharmaceutical Manufacturing and Operational Quality. His expertise includes sterile manufacturing, API and oral dosage formulations with a major role in compliance related activities. He has worked with Cipla, Accenture, GSK and at present he works as senior compliance officer with Novartis Pharmaceuticals, Singapore.
