8th Annual Industry Summit & Exhibitor Showcase (Vendor Night)

February 7, 2019, Orange County

An informative and fun evening of speakers on current life science topics with a keynote speaker from the FDA including networking to speak with friends, colleagues, and industry service providers and vendors.

Technical Programs and/or Facility Tour

May 1, 2019, San Diego

May 30, 2019, Thousand Oaks/Los Angeles

Technical Programs and/or Facility Tours consist of SME's presenting on technical industry topics and/or with a guided tour of a local area facility.

Leaders in Life Sciences (LILS)

June 20, 2019, San Diego

SoCal PDA Chapter is hosting Leaders in Life Sciences (LILS). This program consists of a panel discussion with influential leaders from the SoCal Life Science Industry talking about current topics, industry challenges, obstacles, and personal experiences.

Membership Appreciation Events

August 22, 2019, Thousand Oaks

September 12 & 21, 2019, Orange County

November 21, 2019, San Diego

Membership Appreciation Evenings are always fun networking events held at a local area restaurant and hosted by the SoCal PDA Chapter in appreciation for our members' support and provide great opportunities to network with friends, colleagues, and vendors.

Full Day Technical and Educational Symposium

October 17, 2019, Orange County

A technical and educational symposium is a full day conference of presentations and teachings on a current industry topic presented by SME's, including a keynote speaker and case studies. Past themes include Validation, Environmental Monitoring, and Data Integrity. During this program, the SoCal PDA Chapter will also be hosting a student poster competition and hosting the 2nd Annual Women in Life Science (WILS) from end-users to suppliers and service providers.
