Keynote Speaker: Michael de la Torre Chief Executive Officer at FDAZilla

Since 2010, the FDAzilla platform has been utilized by hundreds of clients, ranging from Fortune 500 companies in every FDA-regulated industry, to law firms, to insurance companies and banks, and to consult ants. Our data and analytics have been cited by major media outlets such as MSNBC, WSJ, and the Boston Globe, and FDAzilla.com is viewed more than 1 million times per year.

Our library is the most complete repository of FDA inspection data in existence. Our platform takes this unique data set and provides data analytics, benchmarking, monitoring services, and inspection documents. Equipped with this unrivaled information, FDAzilla customers can make better decisions and stay one step ahead of the FDA.

More information will be forthcoming regarding Michael's presentation.

Technical Speaker: Bernd Kraemer, PhD Head of Supplier Quality, Americas Region at Roche/Genentech "Outsourcing Challenges and Strategies for Success"

Presentation Overview: Managing supplier risks is a topic of very high importance for the pharma/biomedical/ device industry, given the implications of potential product stock outs, the involved costs, and reputation damage. In this presentation a holistic approach to the reduction of material/service related deviations utilizing communication, supplier capability, and formal risk assessments is discussed. This approach creates win-win situations for both suppliers and customers by fostering mutual understanding and collaboration.

Bernd Kraemer has been working in the Pharmaceutical Industry for the past 20 years. He holds a PhD in Organic Chemistry from the University of Stuttgart, Germany and an MBA from the Moore School of Business at the University of South Carolina. During his career at Roche, Bernd has held various positions in Technical Development, Manufacturing, and Quality in Germany and the US. Currently, he is the Head of Supplier Quality for the Americas Region at Genentech, responsible for GxP suppliers. Bernd lives in the San Francisco Bay Area.
