

1

A slide titled "Meeting Overview". The title is in large, white, sans-serif font, centered on the slide. The background of the slide has a vertical gradient from dark blue on the left to orange on the right. In the top left corner, there are three small white icons: a plus sign (+), a solid dot, and an open circle (o). In the bottom right corner, there is a small logo for the "PDA Capital Area Chapter", which is identical to the one on the previous slide. To the right of the title, there is a list of agenda items in a black, sans-serif font. The list includes: "Welcome, Thanks, and Board Introduction", "PDA Overview", "Djikolngar (Djik) Maouyo, PhD, 'Transitioning from bacterial endotoxin tests (BET) to monocyte activation test (MAT): a scientific imperative'", "Chapter Activities", and "Networking Reception Immediately Following".

Transitioning from bacterial endotoxin tests (BET) to monocyte activation test (MAT): a scientific imperative

Djikolngar (Djik) Maouyo, PhD
Founder, Managing Director and President
PyroDex LLC

PyroDex

- Prior to founding PyroDex LLC in February 2017, Dr. Maouyo served as Senior Scientist at Lonza Bioscience in its Walkersville, MD, plant for more than 9 years, where he led R&D teams focusing on rapid microbial detection, including universal bacterial and fungal detection, mycoplasma tests, and endotoxin detection based on Limulus amebocyte lysates.
- Dr. Maouyo previously held faculty positions at the University of Maryland School of Medicine and Johns Hopkins University in Baltimore, following postdoctoral fellowships at Johns Hopkins University and the University of Montreal and a Ph.D. in biology (with a concentration in integrative animal physiology) at the University of Sherbrooke, Quebec, Canada.
- Dr. Maouyo contributed to the revision of the European Pharmacopoeia chapter on the Monocyte Activation Test as a member of the 2019 European Task Force on the MAT. He is a world leader and recognized expert in Monocyte Activation Test science and technology, and a member of the Consortium of Rapid Microbial Testing Methods of the American National Institute of Standards and Technology.
