Navigating Member Benefits Can Be Challenging

Let's Start with the Fundamentals of PDA

PDA Mission

To **advance**
pharmaceutical/biopharmaceutical
I manufacturing science and
regulation so **members** can better
serve patients.

Advance Members

So, What Does it Mean to Advance Our Members?

It means PDA **empowers** members with knowledge, education, and community to make professional decisions and grow.

PDA Vision

To maximize product quality, availability, and value by connecting people, science, and regulation within the pharmaceutical and biopharmaceutical community

so that PDA is:

- 1) The Preferred Choice for Professionals
- 2) The Premier Educational Partner
- 3) An Organization Aligned with Its Core Values:

- Science (Science-based)
- Integrity
- Inclusion

Why Does this Matter to You?

PDA believes this is important because we need to move together and in the same direction for you to find value and trust in us.

So, How Will PDA Be All These Things?

By Connecting People, Science,
and Regulation, Starting with **You.**
