

2021 PDA Pharmaceutical Microbiology Conference

Microbiology is Evolving: Rising to the Challenge

4-6 OCTOBER 2021 | WASHINGTON, DC and ONLINE | #PDAmicro

CALL FOR ABSTRACTS / CASE STUDIES

The Program Planning Committee encourages you to submit an abstract for a podium or poster presentation at the 2021 PDA Pharmaceutical Microbiology Conference. Case studies are particularly desired.

With the ever changing field of microbiology, sessions at this year's event will try to answer the question, are we doing enough? We are seeking abstracts on a wide variety of topics, including but not limited to:

- Animal Health
- Annex 1
- Artificial Intelligence
- Aseptic Manufacturing Case Studies
- Compliance
- Contamination Control Strategies
- COVID-19 Strategies surrounding:
 - Lessons Learned
 - Working Remotely
 - Workload
 - Operating in a Post-COVID world
- Environmental Monitoring
- Gap and Risk Assessment
- Investigation and Technical Report Writing
- Microbial Controls in Pharmaceutical Water Systems Case Studies
- Mold and Microbial Contamination and Remediation
- Rapid Sterility Testing
- Regulatory Enforcement Trends
- Regulatory Guideline Requirements for the Pharmaceutical Microbiologist
- RFC Testing
- Training Lab and Non-Lab Staff
- Virtual Inspections
 - Managing
 - Lessons Learned
 - Preparing
 - Touring

Abstracts must be received by 8 APRIL 2021 for consideration

Visit pda.org/2021microCFA to submit an abstract

Each abstract must include the following information to be considered:

- Abstract Title (Max 25 words)
- Abstract Overview (Max 200 words)
- Abstract Objectives (Max 100 words)

- Audience Take-Home Benefits (Max 100 words)
- Biography (Max 200 words)
