CALL FOR ABSTRACTS/CASE STUDIES

The Program Planning Committee encourages you to submit an abstract for a podium or poster presentation at the *2022 PDA Annual Meeting*. Case studies are particularly desired.

This year's event will address common challenges to provide solutions to everyone in the industry, from early career professionals to manufacturing leaders. We are seeking abstracts on a wide variety of topics, including, but not limited to:

- **Analytical method development and lifecycle management**
- **Career development** (*e.g., career path of the technical expert, finding, hiring, and keeping the right people, different management styles, multifaceted leadership, knowledge management*)
- **Contamination control strategy**

- **Facilities** (*e.g., flexible processes and facilities, innovating and/or recommissioning aging facilities*)
- **Human error reduction** (*e.g., onboarding, training, coaching, and mentoring programs*)
- **Process intensification**
- **Quality and regulatory intelligence**

- **Regulatory** (*e.g., adapting to evolving regulatory expectations, learnings from EUAs, expedited pathways, virtual auditing*)
- **Risk assessment**
- **Supply chain** (*e.g., disruptions, innovations, and advancements, supply shortages and partnerships for raw materials, finished products, etc.*)

- **Technology** (*e.g., roadmap, digitalization journey, digital strategy, implementation, and transformation*)
- **Trends** (*e.g., collaboration, evolution, pipeline development, shortening the timeline/speed from clinic to market, personalized medicine, new technologies, emerging biotech, sustainability in the biopharmaceutical industry*)

ABSTRACTS MUST BE RECEIVED BY 30 SEPTEMBER 2021 FOR CONSIDERATION.
