

2022 PDA Universe of Pre-Filled Syringes and Injection Devices Conference

The New Normal in Injectable Drug Delivery
18-19 OCTOBER 2022 | PALM SPRINGS, CA | #PDAups

CALL FOR ABSTRACTS

The Program Planning Committee invites you to submit an abstract for a podium or poster presentation at the 2022 PDA Universe of Pre-Filled Syringes and Injection Devices Conference, which makes its return to a live, in-person format! Case studies are particularly desired.

This year's event will address innovation and regulatory trends that relate to all aspects of application device technology. We are seeking abstracts on a wide variety of topics, including but not limited to:

- **Business Development**
 - Marketing trends
 - Moving the needle
- **Development**
 - Leveraging supplier platforms for development
 - New approaches and accelerating product development
 - New materials and advanced manufacturing techniques
 - Streamlining cross-functional decision making
- **Hospital and Patient Needs**
 - IV to SC conversion
 - Understanding the patient
- **Manufacturing**
 - Partnering done right
 - Quality control strategies
 - Scale up and technology transfer
- **New Trends**
 - Diversity and equity
 - Innovative technologies (e.g., advanced therapies)
 - Moving patient care from clinical to home settings
 - Sustainability
- **Regulatory Affairs**
 - Human factors
 - Lifecycle management
 - Navigating new guidances
 - Platform device strategies
- **Reimbursement/Payer Aspects**
 - Advanced therapies/personalized medicine
 - First-hand experiences
 - Influence on device and development strategies
- **Smart Devices and Digital Health Applications**
 - Application of technologies in clinical research and commercialization
 - Defining the value proposition
 - Patient adherence
- **Vaccines**
 - Access to emerging markets
 - Best strategy for varied users
 - Formulations
 - New paradigm

ABSTRACTS MUST BE RECEIVED BY 05 APRIL 2022 FOR CONSIDERATION.

Visit pda.org/2022upsCFA to submit an abstract
