

## Call for Abstracts/Case Studies (Posters Only)

The Program Planning Committee encourages you to submit an abstract for a poster presentation at the *PDA Pharmaceutical Microbiology Conference 2024*. Case studies are particularly desired.

We are seeking abstracts on a wide variety of topics, including but not limited to:

- **Animal Health**
- **Annex 1**  
*(e.g., emerging trends, inspections)*
- **Cleanrooms**  
*(e.g., qualification, upgrades)*
- **Contamination Control Strategies**  
*(e.g., implementation)*
- **Deviation Investigations and Reporting**
- **Disinfection**
- **Endotoxins**  
*(e.g., MAT, pyrogen testing)*
- **Environmental Monitoring**  
*(e.g., trending and specification setting, incubation conditions)*
- **Microbiological Considerations for ATMPs**
- **Mold and Microbial Contamination and Remediation**
- **Non-Sterile Manufacturing**
- **Pharmacopeia-Related Concerns**
- **Rapid Microbiological Methods**
- **Regulatory Inspection and Enforcement Trends**
- **Sterile Process Validation and Aseptic Manufacturing**
- **Training**

**Abstracts must be received by 30 June for consideration.**

Visit [pda.org/microCFA](https://pda.org/microCFA) to submit an abstract

### Timeline

- **01 JUNE**  
Abstract submission site open
- **30 JUNE**  
Last day to submit abstracts, submission site closes at 23:59 EDT
- **01-18 JULY**  
Committee abstract review
- **19 JULY**  
Submitters to be notified of the abstract submission status

**Each abstract must include the following information to be considered:**

- Abstract Title *(Max 25 words)*
- Abstract Overview *(Max 200 words)*
- Learning Objectives *(Max 100 words)*
