

PDA EUROPE HYGIENE REQUIREMENTS

Wearing a medical face mask covering mouth and nose is mandatory at all times. This rule also applies to the exhibition area during the entire duration of the event.

Only exceptions are:

- In the conference or training rooms when seated
- While taking meals or drinks
- Persons that are excluded from wearing a face mask due to a medical condition
- Deaf and hearing impaired persons

Maintaining a minimum distance of 1,5 m from other attendees is recommended, even when you are wearing a face mask covering mouth and nose.

Signage marking the minimum distance in critical areas are to be respected.

For the disinfection of your hands, disinfectant dispensers are located on site.

All participants are required to disinfect their hands at least once a day before entering the event area. Frequent hand disinfection throughout the event is recommended.

PDA is encouraging to screen yourself for COVID-19 symptoms (e.g. fever, sore throat, chills, cough) every day.

Persons experiencing any symptoms that can typically be associated with a COVID-19 infection are required to leave the event immediately or stay away from the event and quarantine themselves.

Infringements may lead to exclusion from the event.

GENERAL RULES

1. Always wear your attendee badge, showing your name.
2. Indicated walking directions are to be respected whenever they are signed out.
3. The instructions of PDA Europe staff are to be followed at all times.
