PDA Introduces New, More Flexible Membership Options

You asked, we listened!

PDA members requested more options for membership categories that better align with the benefits they are using, and we delivered, with a brand new membership structure!

HOW DOES IT WORK?

You can join PDA or renew your membership under the membership category for which you are eligible. In addition, this new structure offers a choice of three different "tiers," **Essential**, **Plus**, and **Premium**, giving you the flexibility to choose the membership tier that includes the benefits you use most!

The cost of membership is based on the benefits provided in that tier, and all new and renewing members are still eligible for any discounts applicable to their membership category.

Get ready for a whole new way of enjoying your PDA member benefits!
