

# Training Course Agenda

613 - Impact of Impurities on Stability of Biologics

## DAY 1

**8:30**      **Welcome and Introductions**

9:00      Regulatory Aspects related to biopharmaceutical impurities

**10:30**      **Coffee/Tea Break**

10:45      Sources and identification of biopharmaceutical impurities

**12:00**      **Lunch**

13:00      Impact of biopharmaceutical impurities on both the patient and the protein

**14:30**      **Coffee/Tea Break**

14:45      Protein stability in the presence of impurities: practical methods for assessing product impact

**16:00**      **End of Training Course**
