

# Event Agenda

Fundamentals of Aseptic Processing Training Course (PDA 800.2)

## DAY 1

**8:30**      **Welcome and Introductions**

9:30      Microbiology

**10:25**      **Break**

10:35      Environmental Monitoring

**12:00**      **Lunch**

13:00      Aseptic Gowning

**14:25**      **Break**

14:35      Aseptic Gowning (cont.)

**16:00**      **End of Day 1**

## DAY 2

8:30      Filtration

**10:25**      **Break**

10:35      Cleaning and Disinfection

**12:00**      **Lunch**

13:00      Group 1: Cleanroom Controls, Operations and Behavior  
Group 2: VR Stations (Cleaning and Disinfection; EM Sampling – Personnel/Surface)

**14:25**      **Break**

14:35      Group 1: VR Stations (Cleaning and Disinfection; EM Sampling – Personnel/Surface)  
Group 2: Cleanroom Controls, Operations and Behavior

**16:00**      **End of Day 2**

# Event Agenda

Fundamentals of Aseptic Processing Training Course (PDA 800.2)

## DAY 3

8:30      Group 1: Component Preparation for Sterilization  
            Group 2: VR Stations (Interventions; First Air)

**10:10      Break**

10:20      Group 1: VR Stations (Interventions; First Air)  
            Group 2: Component Preparation for Sterilization

**12:00      Lunch**

13:00      Facility Design

**14:45      Break**

15:00      Aseptic Process Simulations

**16:00      End of Event**
